To whom it may concern:

I am writing to you about a notice from your billing department regarding a series of treatments I received at your clinic on February 22. The day after I visited your clinic, I immediately submitted my bills to my insurance company and was awaiting a response from them. I just talked to one of their representatives, who said they will be transferring a payment to your account on March 19 for all procedures except for the teeth whitening, which is cosmetic. I mailed a check this morning to cover the cost of that procedure. Please send me an e-mail when you receive this payment so that I can be sure that it arrived and was applied to the charges on my account. I hope that this will take care of the matter in full.

Thank you,
Bernard Dean
