Questions 1-2 refer to the following text message chain.

① 제한시간 05:00

MARIE RAMOS MR 16:43
 Yessenia, I know you reviewed our monthly order schedule, but there have been some changes that you need to know about.

YESSSENIA DUGGAR YD 16:45
 Really? I just submitted that a few days ago. I'm surprised things have changed already.

MARIE RAMOS MR 16:49
 The Des Moines branch just discovered that they still have two boxes of merchandise, so we can ignore its request for more supplies.

MARIE RAMOS MR 16:51
 And because the weather started to get warmer much earlier this year, the Minneapolis branch needs to double its order of bathing suits and sunglasses.

YESSSENIA DUGGAR YD 16:53
 Okay, got it. Anything else?

MARIE RAMOS MR 16:55
 Yeah, just one more thing. Richard Kendall from the accounting department asked if he could get the schedule too. So please e-mail him a copy once you update it.

Questions 3-5 refer to the following online chat.

Rosa Hoyt 10:09 A.M. RH
 Hi. I wanted to talk about the new position. Thank you for e-mailing me.

Syd Morris 10:11 A.M. SM
 Sure. Only three candidates are currently being considered. I'm a bit reluctant to work for someone who is not experienced.

Nadine Son 10:13 A.M. NS
 Well, let's look at what we need. She was an intern here last year.

Syd Morris 10:15 A.M. SM
 She worked in the finance department. She said she was diligent, very intelligent, and quite friendly.

Rosa Hoyt 10:17 A.M. RH
 Unfortunately, she's only just graduated from university. We need someone who is more experienced. What about the others?

Nadine Son 10:19 A.M. NS
 Johan Gibbs had non-negotiable salary expectations that were too high. The third candidate, Norma Scorpio, sounds impressive, but she is currently working for another company and is busy with a project that doesn't end until next month.

Syd Morris 10:21 A.M. SM
 I see. We need someone who can start right away. Personally, I think we should leave the posting up for a few more days.

Rosa Hoyt 10:23 A.M. RH
 You're right. There are other potential candidates out there.

Nadine Son 10:25 A.M. NS
 I feel the same way. So that's settled. Let's continue to advertise the position.

- At what type of business do the people most likely work?
 (A) A legal firm
 (B) An education institute
 (C) An accounting company
 (D) An advertising company
- At 10:25 A.M., what does Ms. Son mean when she writes, "So that's settled"?
 (A) They have chosen a successful candidate.
 (B) They have selected a date for interviews.
 (C) They have decided to review more applications.
 (D) They have agreed to change the requirements.
- What is indicated about Ms. Ocello?
 (A) She has a lot of experience in the field.
